

High School Youth Nights:

This Program is for students attending Catholic, private, home or public schools!

- Bringing the lived experience of our Catholic faith to your teen, by showing that our Church is much more than the building we go to on Sunday.
- Educating your teen in the 'roots' of their Catholic faith from a more 'adult' perspective, including the Church's moral and social teachings.
- Presenting peer ministry and Christian leadership opportunities in community

building activities where teens voluntarily express their faith to each other in an atmosphere of care and acceptance.

Beyond Youth Nights:

- Social Activities (Youth Rally, King's Dominion, Sports, Laser Tag, Ski Trip, Ice Skating, etc)
- Service Activities (Work Camp, Service Nights, Hunger Banquet)
- Spiritual Activities (Leadership Retreats, Advent and Lenten Prep Days, Overnight Retreats, Living Stations)

This Year:

- Group discussions on topics that the youth pick.
- Tons of fun games!
- New dinners including Taco Night!!
- New Sunday afternoon social fieldtrips!

St. Leo's Youth Ministry Program

St. Leo's Youth Ministry program was developed to support you, the first and primary educators of your children in our Catholic faith. *We urge you to send your teen to our parish Youth Ministry program where the knowledge of the faith is shared and applied in practical ways in an atmosphere of fun, love and encouragement.* It is normal for many teens not to want to continue in their religious formation after being Confirmed. However, just as we need a high school, and perhaps college education to prepare for secular careers, we must continue to take advantage of what our Church has to offer to prepare our children for their eternal life. Sign your youth up for Youth Nights now!

Registration Form High School

Registration Process

1. Fill out Registration form below (both sides).
